Four Shorthorn calves won the 1954 Rate Of Gain contest at the Central Iowa Fair. 426 calves, of all breeds, competed. One of the winners didn't get in the picture.

## 80th Auction Sale

Marshalltown, Iowa

## *Announcement*

All admirers of good cattle are cordially invited to attend the 80th Auction Sale of the Marshall County (Iowa) Shorthorn Breeders Association on Monday, Feb. 21st.

Shorthorns had a very successful year in both the Sale Ring and Show Ring, winning more high honors than in any recent season.

This series of achievements was crowned at the latest Denver show when the Joe Winkler Shorthorn feeder calves were again awarded the **GRAND CHAMPIONSHIP** over all breeds and also outsold all others by many dollars per hundred weight.

Pictured on the preceding page are the Shorthorn calves that won the Rate of Gain Contest which was decided at the Central Iowa Fair, at Marshalltown, last September. 426 calves, of all breeds, were involved in this contest held under 4-H club sponsorship, and it extended over the nine months feeding period. Four Shorthorns stood at the top. Craig Handorf of Gladbrook failed to get his calf in the picture.

Here, again, is positive proof that Shorthorns out-gain all others.

We claim without fear of successful contradiction that we are the oldest Shorthorn group in America selling cattle over the block every year, in boom times or bad times, during war or peace.

All of the bulls are of good quality and most of them are choice. There are several bulls in the list good enough to be a top seller in the average Auction. If you need a real good bull of rich breeding, don't fail to inspect this offering.

The females are also of high average quality and several cows sell with calves at foot.

The footnotes that accompany many of the pedigrees in this catalog will usually be found to be modest and an under-statement of the actual quality present.

Try to be here early. The sale will begin promptly.

—SHOW AT 9:30 — — SALE AT 1:00

### HEIFER CLUB PROSPECTS

We have several extra-good prospects for next year's club competition. Look them over. They will please you.
